THE CHIDO WAY

At Chido Burrito,™ our goal is to serve high-quality, great tasting food at an affordable price in our fun, casual, surf atmosphere. We take great pride in making our food from scratch and using the freshest ingredients.

- We store-roast and grill our meats and fish.
- Our complimentary salsas are made fresh daily with store-roasted tomatoes and tomatillos, and freshly chopped cilantro and jalapeños.
- Our guacamole is made fresh throughout the day, every day.
- We make our own tortilla chips and hard corn taco shells.
- Our meat, chicken and fish are hand-trimmed and marinated in our own Chido rub.
- We make our own cilantro-lime vinaigrette salad dressing.
- We strive to offer healthy alternatives like brown rice, grilled fish and chicken, sugar-free salsas, as well as vegetarian and gluten-free choices.

Our philosophy is simple: We believe when quality and freshness come first, a great experience will follow. Cool and Fresh is the Chido Way!
